next-generation

nxt-gen features our latest innovation where the flush-fitted innerframe sits level with the moulding to give sleek lines and a finish which is unsurpassed.

Symmetry and balance are also very much key elements as we want you to look at your door and feel it is perfect in every way.

Composite Doors**

nxt-gen GRP Collection

The next generation of composite doors

- ✓ Unparalleled security features
- ✓ Exceptional durability, up to 10 years surface and 25 years structural warranty
- ✓ Low maintenance, simply wipe clean with warm soapy water
- ✓ Triple glazed, laminated glass for extra security
- ✓ Encapsulated decorative detail for ease of maintenance and longevity

Looking after our world and your wallet!

Tests prove that our GRP composite door is...

19% more thermally efficient than a 48mm solid timber core composite door

17% more thermally efficient than a 44mm traditional timber panelled door
